

Learning Objectives

Treat Severe, Uncontrolled Eosinophilic Asthma

List difficulties in recognizing anaphylaxis in infants and toddlers

Utilize strategies for surviving and thriving in the face of changes in coding and governmental regulation

Improve screening strategies to identify potential eosinophilic esophagitis patients

Understand the historic implications of consensus guidelines in the management of eosinophilic esophagitis

Critically evaluate the known adverse event profiles of OIT and the clinical and immunological benefits.

Registration

Members who have paid 2021 dues:	Free
Members who have not paid 2020 dues:	\$200
After July 6:	\$250
Non-Members:	\$250 payable to the ASAAI
After July 6, non-members pay:	\$350
1st 2 years out from Fellowship:	\$50
Fellows:	Free Registration

Would you like to provide a financial contribution to the ASAAI to offset the cost of providing a travel grant for current Fellows in the UAB program? If so, please write a check to the ASAAI. Every contribution counts and assists with expenses associated with travel and lodging. The future of our specialty depends on the excellent training of our Fellows! Thanks for your generosity!!
